## Volunteers Needed for Research Study on African American Men who Provide Care & Support to Heart Patients

### You May Qualify If You

- Are African American
- Are a male
- Are 18 years old or older
- Served as a cardiac support care giver for more than 6 months
- Actively visit cardiac patients in a hospital setting

### Participation Involves

- Complete a demographic survey
- Participate in an interview with an estimated time of 2 hours.

### Benefits of Participation

- You will help contribute to the research on improving the healthcare and survivability of heart disease patients
- Receive a \$10 gift card

Participation is voluntary. If you have additional questions, please contact Charles Michael Coleman at [ccoleman8@twu.edu](mailto:ccoleman8@twu.edu) or Joyce Armstrong, Ph.D. (research advisor), [jarmstrong@twu.edu](mailto:jarmstrong@twu.edu) 940.898.2690

*I am seeking willing volunteer participants only. There is a potential risk of loss of confidentiality in all email, downloading, and internet transactions. Thank you very much for your time and help.*
