From the president...

Dr. Tony Graham, Anesthesiologist for Huntsville Hospital, our October speaker provided a detailed surgery map from hospital bed through surgery and recovery to the unit. He informed us that the hospital currently has 4 anesthesiologists who do only cardiac procedures and are all board certified. The hospital has 2 groups of anesthesiologists; one for cardiac thoracic and the other for EP cases. We are fully aware that any surgery in one of these areas means that we are in excellent care and are carefully monitored throughout the entire procedure.

The Mended Hearts fund raiser “Creating a World of Support” continues until December 3rd. We have collected $1090 of our $2500 goal and feel certain that our members are going to continue donating to this important fundraiser. If you prefer mailing a check to Mended Hearts 260, P O Box 18912, Huntsville AL 35804, please add: chapter 260 so it is credited to our team page.

We look forward to seeing you at our Thursday, November 21st meeting @ 6:30 PM to hear Dr. Emily McIntosh, DMD “Dental Hygiene and Impact on Heart Health”

Dr. Fredonia B. Williams, Chapter 260 Interim President
Thank you to all of the caregivers who work around the clock to keep us heart healthy doing all of the things it takes to ensure that we enjoy a better life.

During your loved one’s stay in the hospital, reviewing the following tips might be helpful.

1. Speak with the hospital dietitian in charge of the patient’s diet if there are questions about diet or specific foods.

2. Speak with the doctor about the patient’s physical abilities and recommended exercise program if they have questions about physical abilities.

3. Visit the doctor with the patient for appointments. A list of questions for the doctor is always helpful.

4. Call the patient’s doctor for advice on any questions about the patient’s welfare. Remember, the doctor is working FOR the patient and wants to be kept informed of any possible problems.

Remember, you are rising to the demands and challenges of the caregiver role every day. Take advantage of tools that can help you stay on top of it all and help you restore some balance to your life. Thankfully, new caregiving tools can help lighten the load.

**Unlock the Power of Medical Records**
Information is power, and caregiver access to online patient medical records is getting easier and more powerful every day. With online patient portals you can get your loved one’s health and insurance information how and when you need it. Join the millions of family caregivers who have already accessed their loved one’s online medical records to improve care.

**Master the Medications**
One of your most important daily responsibilities as a caregiver is managing medications – making sure they are taken properly and on time, getting refills, and watching for side effects. Your loved one may have more than one illness and have to take several medications. Tech tools are an easy, safe way to track your loved one’s meds and make caregiving a bit less stressful.
Unleash the Power of Apps

Caregiving is overwhelming and you simply can’t do it all by yourself. Luckily, there are many apps and tools that can help caregivers do almost anything from A to Z such as checking your loved one’s vital signs, locating them with GPS if they wander off, getting healthy eating plans at the touch of a button or connecting with caregiver support groups and online communities. Use apps to streamline your tasks so you can get a break and take a few minutes to recharge your own batteries.

When you are caring for a loved one, whether in the hospital or at home, caring for yourself is often your last priority. However, it is important to create a balance between caring for others and yourself. You may not feel that caring for yourself is a priority, but it is imperative that you try. The best gift you can give your loved one is to also care for yourself. Ways to do so include getting enough sleep, exercising regularly, eating well-balanced meals, asking for help and joining a support group which includes Mended Hearts support group that meets every 3rd Thursday at 6:30 PM.

We are grateful for our caregivers who make our lives easier every day. The Family Caregiver Alliance is shining the light on the importance of caring for caregivers, whether that means you’re caring for yourself or playing a supporting role. Taking care of someone else too often means that you’re not taking care of yourself. Sleep deprivation, poor eating habits and postponement or failure to make medical appointments are just a few of the ways caregivers fall short of taking care of their own health and well-being. Always remember when you prioritize your own needs, you’re better able to care for those around you.

“Celebration of the Heart: Mended Hearts Potluck Christmas Dinner”
(NO REGULAR DECEMBER MEETING)
Thursday, December 5th @ 6:00
Dowdle Center (corner of Gallatin and Governors)
All members and families are invited.
Please bring your favorite dish
Come and enjoy fellowship and dinner.
We recognize member birthdays and surgery dates referred to as Mendiversaries. Congratulations to everyone who is celebrating a heart procedure anniversary this month. If we have your month listed incorrectly or you would prefer not to be listed, please notify the chapter president. If we are missing your celebration, let me know at 256.837.7354.

**November Birthdays**

- Donnie Baldwin
- Rhonda Johnston
- John Sherrick
- Donnette Smith
- Sylvia Townsley

**November Mendiversaries**

- Rhonda Johnston
- Earla Lockhart
- Kathy McFarland
- John Phillips
- John Sherrick
- Toccara Simpson
- Gary Stewart

**Get Well Wishes**

We extend our get-well wishes to our members/readers who have been ill and we were unaware of it. They are also sent out to all the patients that we visit in the hospital. We will keep you in our thoughts.

Please call me at 256.837.7354 for notification.

**CHUCKLE FOR TODAY:**

A lady who was speeding had an officer pull her to the side of the road. She didn't have her seat belt on so as soon as she stopped, she quickly slipped it on before the officer got to her window.

After talking to her about speeding, the officer said, "I see you are wearing your seat belt. Do you believe in wearing it at all times?" "Yes, I do, officer," she replied. "Well," asked the officer, "do you always do it up with it looped through your steering wheel?"

Donations to Mended Hearts are tax deductible. Donations may be mailed to Mended Hearts 260, P O Box 18912, Huntsville, AL 35804-8912. Please continue to support our efforts to visit and provide HeartGuides to patients and their families.
