

Heart to Heart

CHAPTER #368 - LOWER HUDSON VALLEY, NY

Volume 6, Issue 4

June 2018

YOU ARE INVITED

MENDED HEARTS MEETING

THURSDAY, JUNE 14, 2018

6:00PM: Light meal and conversation

6:30PM: General Meeting

7:00PM: Program of Entertainment by DJ Mark Richards

Ramapo Senior Center, 319 Haverstraw Road (Route 202), Suffern

Join us on September 13th for our next meeting - new location!

Welcome back after the summer at our new meeting location at Suffern Village Hall, 61 Washington Avenue, 2nd Floor, Suffern, NY 10901

June 2018

A MESSAGE FROM THE PRESIDENT

As we are about to enter summer, we have one final chapter meeting in June prior to our summer break. The following are highlights of some of the things which have occurred since our last meeting:

1--Power of Age Conference at RCC on May 23rd. The sponsor was the Rockland County Office for the Aging. Lots of folks stopped by and appreciated our giveaways, especially the heart shaped key ring which also serves as a tape measure. Thanks to Fred and Jeff for staffing our Mended Hearts display table.

2---Bon Secours Volunteers Luncheon on May 30th at Falkirk Estate in Central Valley, New York. Mended Hearts Chapter 368 members: Fred, Shoaib, Keith, and Jeff attended the function. See the photos of us with Bon Secours Charity Health System CEO, Dr. Mary P. Leahy, and with a fully dressed Queen. The luncheon was a very positive experience and speaking for all of our chapter attendees, we were pleasantly surprised that our table was graced by a Queen even if she was only a faux queen played by an actress from Medieval Times, a dinner/show venue in Westchester.

3---Sandi and Jeff met with former chapter members Steve and Roberta Perell on June 5th. Steve and Roberta came up from Florida for the wedding of their son Colin to Tori on June 8th. Best wishes to all.

4-- Please think about coming to the Mended Hearts National Conference in San Antonio from July 14-18. If you have questions about it please contact Sandi.

5--Finally, please join us for our summer lunch event at Rhodes Tavern in Sloatsburg from noon to 2pm on July 7th.

6—June 14th is our very special Year End celebration featuring good music, good food, and good friends.

We don't have regular meetings in July and August, so I look forward to seeing you at our next meeting which is scheduled for September 13th. The new meeting time will be 5:30 PM and it will be at a new location: Suffern Village Hall, 61 Washington Avenue, 2nd Floor, Suffern, NY 10901.

I hope you all have an enjoyable and healthy summer.

*Jeff Scheer, President
Mended Hearts Chapter #368, Lower Hudson Valley, NY*

Chapter #368 Officers and Chairpersons

President	Jeff Scheer	845- 362-1429 jeffs922@yahoo.com

Please share your special events so we can celebrate together ... anniversaries, “surgi-versaries”, births, engagements, weddings, and more.

Our Mission Statement

We are dedicated to “Inspiring hope and improving the quality of life for heart patients and their families through ongoing peer-to-peer support”.

Mended Hearts Chapter #368 Visits

Shoaib Ahmed, Visitor Chair

Learn more at our meetings about these very special visits and our very special visitors. We have consistently grown the quality and quantity of visits, and are trending to have over 180 significant visits this year, and may exceed our highest year!

Year	# Visits	Cumulative
2012	50	-
2013	100	150
2014	161	311
2015	192	503
2016	144	647
2017	112	759
2018	74 YTD*	833

*thru May 2018

Please join in giving thanks again to our incredible team of dedicated certified visitors:

- Shoaib Ahmed
- Fred Sandner
- Jeff Scheer
- Steve Ostrega
- Keith Brown
- Steve Rosman

Please get trained and certified so you can join in our efforts. Visits can be done face-to-face, by phone or Internet, in hospital, clinics, Cath Labs, trains and planes, and just about anywhere.

All it takes is caring and commitment. We will provide the training, resources, and support.

Mended Hearts Chapter #368 Highlights

Thanks again to the Rockland County Highway Departments for sponsoring their annual bowling fundraiser on June 8th, to benefit our chapter.

Even if you are not a bowler, you can still support this event:

- Bring a donation to our next meeting on June 14th
- Mail a donation payable to Mended Hearts #368 to Sandi at Good Samaritan Hospital, 255 Lafayette Ave, Suffern, NY 10901

Battle of the Highway Departments Bowling Challenge

Strike for a Great Cause!

- **Next meeting: Thursday, June 14 - Sandi**
 - *Program: Entertainment by DJ Mark Richards*

- June 14th meeting - Sandi
- RSVP to Sandi

- Introduction of Program - Jeff
 - *Program presentation—Peripheral Artery Disease*
 - *Presenter: Amala Chirumamilla, MD*
 - *Metropolitan Cardiology Consultants/Good Samaritan Hospital*
 - Keith shared a special greeting to Dr. C
 - Pamphlet on PAD included in packets
 - What is PAD?
 - Peripheral = outside of heart
 - Continuum of heart disease
 - Shares risk factors
 - Hypertension, diabetes, age, family, smoking, comorbidities, etc.
 - Same patients as heart disease
 - More prevalence among smokers, then diabetics
 - Fred asked about vaping – about 10% as risk compared to smoking
 - Marijuana same risk if smoked
 - May have more system side effects
 - Symptoms
 - Life threatening
 - Carotid – often stroke
 - Abdominal – silent then rupture
 - Screen smokers over 65 for aneurysm
 - Pain in legs – blockage in arteries
 - The more peripheral the harder to fix
 - Prevention is the best approach
 - Can be confused with varicose veins
 - Cramping and swelling more from veins
 - Worse when sleeping, sitting after walking relieves
 - Diagnosis
 - Ultrasound
 - CT Scan with contrast – most definitive
 - MRA – Magnetic Resonance Arteriography
 - Treatment now less invasive
 - Carotid – clean calcification and put in patch, functions as tube
 - Stenting not effective, frequent re-stenosis
 - Jeff described his experience
 - Fred asked about lawyer advertising cases with mesh
 - If initial part of aorta then open repair
 - Descending aorta uses endovascular
 - Stent or patch
 - Depends on location relative to kidney, above or below
 - Ruptures require open repair
 - Upper thighs and knees – larger arteries

- Stents or angioplasty
 - At and below knee – stents are pliable, outcomes not so good
 - Vascular bypass using vein or graft
 - Promoting more exercise, rehab, and physical therapy
 - Medications can be used with claudication pain symptoms
 - Especially for diabetics
 - Critical to check digits for color change, follow up with podiatrist
 - Important to know and recognize symptoms
 - Pain when walking
 - Hip pains – mimics arthritic hip pain, check risk factors
 - Shoaib asked about guidelines for follow-up testing
 - Stress test usually within 5 years of bypass
 - Symptoms and pre-op trigger testing
 - Carotid ultrasound test since high risk of stroke
 - Allen asked how often to have a stress test – driven by symptoms
 - Sandi asked about after initial stress test – no mandatory
 - Ed asked about feet turning blue; may need vein ablation
 - Compression stockings
 - Shoaib asked – nuclear stress more accurate
-
- Open Discussion - Jeff Scheer
 - Milt – neighbor of Jeff
 - Ed – former EMT
 - Other Business - Jeff Scheer
 - Jeff suggested bringing guests to September or October meeting
 - Sandi spoke about large number of Chapter members even if they don't attend
 - Adjournment at 7:50PM
 - Motion by Shoaib, seconded by Allen
